# CyberSciTech 2019 Call for Workshop Papers (August 5-8, 2019, Fukuoka, Japan)

----------------------------------------------------------------------------

## The 4th IEEE Cyber Science and Technology Congress (CyberSciTech 2019)
## http://cyber-science.org/2019/

**IMPORTANT DATES**

----------------------------------

Workshop & Special Session Paper Due:        May 15, 2019
Authors Notification:                        May 25, 2019
Camera-ready Submission:                      June 20, 2019

**IEEE CyberSciTech 2019 CALLS FOR**

----------------------------------

We cordially invited you to submit your original work with the latest review, research and development to one of the following accepted workshops and special sessions. The workshop and special session papers are between 4-6 pages. All submissions must be in the IEEE CS proceedings format. All accepted papers will be published by IEEE (IEEE-DL and EI indexed) in Conference Proceedings.

**ACCEPTED WORKSHOPS AND SPECIAL SESSIONS**

----------------------------------

The 4th International Workshop on Emerging Dependable Computing System Technologies and Applications (EDCSTA)
The 2nd IEEE International Workshop on Healthcare with Intelligent Sensing, System, and Data (HISSD)
The 1st IEEE International Workshop on AI and Blockchain Systems
The 1st IEEE International Workshop on Big Data Analytics for Cyber Security and Defence
The 1st IEEE International Workshop on Advances and Trends on Deep Learning for Internet of Things (DL-IoT)

Special Session on Cyber Social Computing and Cyber-Enabled Applications (CSC&CEA)
Special Session on Computing and Applications for Cyber Internet of Things (CyberIoT)
Special Session on Embracing Hybrid Service Paradigm inHuman-Machine Interaction Oriented Cyber Spaces (CyberHSP)
Special Session on Intelligent Computing in Cyber-Physical-Social Systems (CyberIC)
Special Session on Smart Health and Medicine in Cyber Life (CyberSHM)
Special Session on the Impact of Internet of Things on the Future Elderly Care (IoTonFEC)
Special Session on Cyber System Security and Intelligence (CSSI)

**SUBMISSION GUIDELINES**

----------------------------------

Authors are invited to submit their original work that has not previously been submitted or published in any other venue. Regular, Work-in-Progress (WiP), Workshop/Special Session, Poster papers all need to be in IEEE CS format (https://www.ieee.org/conferences/publishing/templates.html) and via EDAS (https://edas.info/newPaper.php?c=25734).
